ASSEMBLY INSTRUCTIONS

CONTENTS

General Guidelines

- Please read the following instructions carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- Product is intended for indoor use only. It must be assembled and used according to the instructions. The seller does not accept any responsibility for damage or injury resulting from improper assembly or use.
- This summary may not include every detail of all variations and considered steps.
- Please contact us when further information and helps are needed.

- | |
|--|
| 1. Please be assured, while opening the box, do not use hammer or any other heavy tool. That can damage your bed. |
| 2. Please note, the bed headboard is extremely heavy. It will be very difficult for one person to lift it up. At least 2-3 persons are required to move it safely. |
| 3. You will be getting the bed, maybe in 4-5 separate parts. It is really easy to assemble. Check the original product picture and fit the screws and you are all set. |

***Please note, My Aashis will not be liable for any damage that occurs to the product due to use of hammer or similar components while opening the box.**

Assembly Instructions

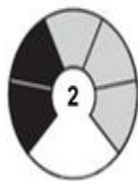

- Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting.
- When assembling place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.
- During assembly, align all screws with the corresponding pre-drilled holes first and then tighten them one by one.

TIME

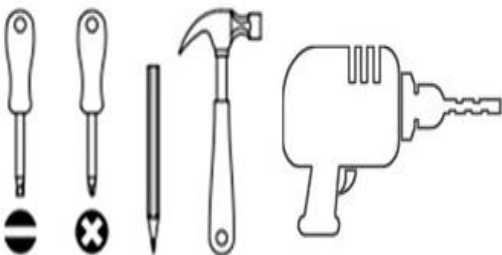

2 People

DIFFICULTY

Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

TOOLS YOU MAY NEED

Note: It is recommended that installation of the product be done by a qualified licensed furniture assembler.

Steps to Assemble the Bed

STEP 1:

Open up all the cartons so that you can get all the furniture sections, hardware's and accessories which are required to assemble the Bed.

STEP 2:

Attach all the Bed sections with each other as shown in the below picture for reference.
