- Please be assured, while opening the box, do not use hammer or any other heavy tool. That can damage your dining table marble.
- Please note, the marble top is extremely heavy. It will be very difficult for one person to lift it up. At least 2-3 persons are required to move it safely.
- You will be getting the dining table maybe in 3-4 separate parts. It is really easy to assemble. Check the original product picture and fit the screws and you are all set.

\*Please note, My aashis will not be liable for any damage that occurs to the product due to use of hammer or similar components while opening the box.

## Step 1:

Open up all the cartons carefully to get the table parts, hardware's, and accessories that is needed to assemble the Table.

## Step 2:

First put the 2 Pillars on the floor. Now place the Marble Table Top on the 2 Pillars as shown in the below picture attached for reference.

## Step 3:

Now, you will find two round wood panels at the top of both the Pillars, with some screw holes. Please be sure that those holes need to align perfectly with the holes in the wooden panel that is fixed below the Marble.

Simply screw up the wooden panels to connect both the Pillars with the Marble top as shown in the picture attached below for reference.
